FLAT TOP TREATMENT TABLES
Clinton Flat Top Tables use materials like solid hardwood legs, premium 1 1/8" panel legs or a sleek, powder-coated steel frame. These quality materials aren’t inexpensive, but Clinton’s classic designs demand nothing less. As a matter of fact, some Clinton treatment tables have been in service for more than 25 years. We credit much of our durability to our use of steel fasteners instead of wooden dowels, which can weaken over time. All of our tables feature a comfortable 2" firm foam padded top in your choice of premium, woven-back upholstery. All the quality, all the selection — and all at some of the best prices in the business. RUSH is 5-year, limited warranty! Examine our flat top tables, and you’ll find why Clinton flat out beats the competition in quality, selection and price.
