

Recliner Series Hi-Lo Blood Drawing Chair

MODEL 6810

- Smooth, fully electric reclining and height adjustment
- Self leveling arms and synchronized footrest that move with chair's seat and backrest
- Keeps patients comfortable and may better accommodate patients who may faint during a procedure
- Hand controller
- All-welded, steel, neutral gray powder-coated frame
- Power supplies and motors meet UL 60601-1 and CAN/CSA C22.2 601.
- Padded seat, backrest, armrests and footrest
- Armrests flip up out of the way for easy entry and exit
- Adjustable foot levelers
- Easy-clean, durable, stain-resistant vinyl
- 375 lbs. load capacity under normal use (170 kg)

IMPORTANT NOTE: Clinton Blood Drawing Chairs are not engineered to restrain a fainting or falling occupant. The chair's occupant should NEVER be left unattended.

All blood drawing products are non-returnable unless they are unused in unopened, original packaging.

California residents please be advised of the following, pursuant to Proposition 65:

WARNING: This product can expose you to chemicals, including chromium, which is known to the State of California to cause cancer or reproductive toxicity. For more information go to www.P65Warnings.ca.gov.
