

Recliner Series Hi-Lo Blood Drawing Chair

MODEL 6810

- Smooth, fully electric reclining and height adjustment
- Self leveling arms and synchronized footrest that move with chair's seat and backrest
- Keeps patients comfortable and may better accommodate patients who may faint during a procedure
- Power supplies and motors meet UL 60601-1 and CAN/CSA C22.2 601.1
- Hand controller
- All-welded, steel, neutral gray powder-coated frame
- Heavy duty, all-welded, steel frame
- Padded seat, backrest, armrests and footrest
- Armrests flip up out of the way for easy entry and exit
- Adjustable foot levelers
- Easy-clean, durable, stain-resistant vinyl
- 375 lbs. load capacity under normal use (170 kg)

IMPORTANT NOTE: Clinton Blood Drawing Chairs are not engineered to restrain a fainting or falling occupant. The chair's occupant should NEVER be left unattended.

All blood drawing products are non-returnable unless they are unused in unopened, original packaging.
