

OPEN BASE, POWER, CHANGING TABLE

Only Clinton has the manufacturing know-how and the focus to engineer and bring to market a changing table that meets needs and saves money. Building on our reputation for dependable and affordable medical equipment, Clinton's Open Base, Power, Changing Table is easy to operate and comfortable for patients. It features sturdy steel construction, smooth electric power and two padded side rails that easily lock into place for safety.

Why choose anything else, when practical performance comes at such an affordable price?

- Easy-clean, one-piece top
- Two lock-in-place, padded side rails
- Four, smooth-roll, locking, 3" casters
- Electric power height adjustment with foot control
- Ultra-strong, uni-frame base and top construction
