CABINETRY

Cabinetry serves as a place for storage and is a major design element in the look of any exam room or physician's office. So choosing the right cabinetry, or casework as it is sometimes called, is important.

Clinton offers two distinct type of cabinetry: Classic Clinton, an all laminate cabinet, and Fashion Finish, cabinetry with thermofoil doors, drawer fronts and sides that have no front facing seams. Each style has a distinctive look of its own, and all Clinton cabinetry sets up in minutes. Just push the base into place and hang the wall units on its rail using your own fasteners that will secure the rail to your particular type of wall construction.

CLASSIC CLINTON

◆ LAMINATE CASEWORK ◆

Clinton Classic is available in five standard sizes: 24", 36", 42", 48" and 72" , and four laminate colors: Gray, Slate Gray, Maple and Dark Cherry. All blend well with a variety of decor.

The standard countertop is all laminate. Postform laminate tops, with integrated backsplash and no front-facing seams in three colors are available as an upgrade.

Clinton Classic Laminate Cabinets are available with optional sink and optional side desk which can be positioned on either side of the base unit.
