

FLAT TOP TREATMENT TABLES

Classic Design. Premium Quality. Exceptionally Priced.

Not all treatment tables are created equal — or priced equally.

Clinton Flat Top Tables use materials like solid hardwood legs, premium 1 1/8" panel legs or a sleek, powder-coated steel frame. These quality materials aren’t inexpensive, but Clinton’s classic designs demand nothing less. As a matter of fact, some Clinton treatment tables have been in service for more than 25 years. We credit much of our durability to our use of steel fastener

construction instead of wooden dowels, which can weaken over time. All of our tables feature a comfortable 2" firm foam padded top in your color choice of premium, woven-back upholstery. All the quality, all the selection — and all at some of the best prices in the business, PLUS a 5-year, limited warranty! Examine our flat top tables, and you'll find why Clinton flat out beats the competition in quality, selection and price.

Model 200 shown on cover
