H SERIES, BLOOD DRAWING CHAIRS

Clinton puts stable, hydraulic lift right where it is needed in the H Series Blood Drawing Chairs. A thick foam padded seat and backrest helps keep the patient comfortable, while the clinician positions the patient by using the chair's large, convenient foot pedal. The chair rotates freely and then can be placed snugly into position when the foot pedal is raised. Pump action on the pedal raises the chair to desired height level.

H Series, Blood Drawing Chairs feature:

- 1 1/4" square, heavy duty, all-welded, tubular steel, neutral gray, powder-coated seat frame (3.18 cm)
- Polished chrome base with black bumper
- Comfortable footrest
- Large pump-action foot pedal with snug-lock rotation
- Adjustable height and depth flip arm
- Flip arm positions in place when in use, then flips out of the way for easy exit
- Optional ClintonClean™ or padded arms available
- Height adjustable armrest
- Thick padded seat and padded, arched backrest, or E-Z-Clean, one-piece, black, plastic seat
- Easy-clean, durable vinyl in a selection of colors
- 300 lbs. load capacity under normal use (136 kg)

Armrests are adjusted by two star knobs
