

CLINTON
ProVisions™
POINT-OF-CARE CARTS

WHY PROVISIONS?

What separates ProVisions from other point-of-care carts?

It's quality materials like tough, dent-resistant, 18 gauge steel for our cabinets and 3/4" ClintonClean™ solid HDPE plastic for the base and tops. It's an integrated handle that makes maneuverability easier than ever. It's side storage bins that adjust for different size supplies. It's easy-roll, hospital style casters. It's our clear PETG paneled doors that make locating supplies easy, and because it is made by Clinton, it's one of the most affordable lines of Point-of-Care carts in its class. That's why ProVisions should be your point-of-care cart of choice for every need.

IMPORTANT NOTE TO DISTRIBUTORS DOING BUSINESS IN CALIFORNIA:

Clinton Industries products drop shipping or to our knowledge being reshipped into California will carry appropriate Safe Harbor Warnings in compliance with California Proposition 65.

For more information on California Proposition 65, go to: www.P65Warnings.ca.gov

Tough, great looking and available with a ton of options, ProVisions Point-of-Care Procedure Cart is a versatile workhorse for nurses' stations phlebotomy or any purpose that needs supplies transported easily from room to room or floor to floor.

3-YEAR, LIMITED WARRANTY

To the original purchaser only, Clinton Industries warrants manufactured products to be free of defects in materials, workmanship under normal use and service conditions for (3) three years from the date of purchase. If the product and/or equipment should become defective within the first year of the warranty period, Clinton Industries will send replacement parts or replace it (at our discretion) free of charge, including return transportation to you provided you deliver the equipment or product prepaid to Clinton Industries located at 525 East Market St, York, PA, 17403. If replacement parts are deemed necessary by Clinton Industries within (1) one year of the purchase date, all new parts and shipping will be covered by Clinton Industries. Thereafter, in warranted year (2) two and (3) three, all shipping charges of replacement parts or replacement product (at our discretion) covered under this warranty will be the responsibility of the purchaser. Please receive authorization before returning product to the factory, as Clinton Industries will not accept unauthorized shipments. Clinton Industries reserves the right to repair or replace component parts without return of the entire unit. This warranty does not include damage resulting from accident, abuse or misuse of the product and expressly excludes normal wearing of parts or defect caused by transportation, accident, fire, flood, improper assembly, alteration, or negligence. In addition all representations and warranties made by any person or entity other than Clinton Industries main office is excluded from this warranty. Implied warranties, including those of merchantability and fitness for a particular purpose, are limited to (3) three years from purchase and all implied warranties are expressly excluded to the extent permitted by law and are otherwise limited to the terms of express warranties as set forth above. This is the exclusive remedy, and law for consequential or incidental damages under any and all warranties is excluded to the extent exclusion permits liability. This warranty does not cover or compensate for any loss of use damages that may occur as a result of failure of equipment covered under this warranty. Clinton industries reserves the right to alter or change equipment without prior notice and to repair or replace warranted equipment with new parts or new products.

Note: Exceeding the recommended weight capacity of any Clinton product with stationary weight or a total combined weight consisting of stationary weight and applied force, under normal intended or unintended, use voids this and all implied or stated warranties.
